Request For Proposal

REQUEST FOR PROPOSAL FOR PROFESSIONAL SERVICES - INFORMATION SECURITY ASSESSMENT

The Social Security Board (SSB) seeks to hire a consultant for the above assignment. The overall objective of this consultancy is to identify the most appropriate vendor that can provide complete assessment of SSB's information security capabilities and provide the necessary recommendations and roadmaps to fill the gaps discovered.

The objectives can be summarized as follows:

- Assess SSB's current information security capabilities and infrastructure.
- Perform a gap analysis to highlight missing capabilities in SSB's current information security infrastructure.
 - Based on SSB's current and future needs.
- Provide an extensive report of the findings of that assessment.
- Provide recommendations and prioritized roadmap to address the information security gaps discovered during the assessment.

SSB invites interested and qualified consultants to submit proposals for the assignment as per SSB's Request for Proposal (RFP) and Submission Guidelines and Requirements.

Interested parties can request via email the following document:
