## **Social Security Board Introduces *My Social Security Self-Service Portal***

Belmopan, March 29, 2021 – Social Security Board is excited to announce the launch of our new online service, *My Social Security Self-Service Portal*. *My Social Security* is a free, easy-to-use platform transforming the way customers interact with Social Security. The first phase of *My Social Security* allows customers to update their registration record and to apply online for a new or replacement card, anytime, anywhere.

The future of *My Social Security* includes improvements for Employers and Self-Employed Persons to access online payments and Contribution History. We continue to work diligently in enhancing the overall online experience, as well as to ensure personal information remains confidential and secure.

*My Social Security* affirms the Board's commitment to improving service delivery and customer experience. Take control with *My Social Security* and truly experience Social Security at your fingertips!

End.
