Social Security Board Announces Scholarships for Fifty-Six New Recipients

Belize City, August 5, 2021 - Today, the Social Security Board, committed to empowering communities through education, awarded scholarships to fifty-six new students from across the country. Scholarship recipients were selected from three hundred and fifty online applications based on financial need, academic potential and future aspirations.

In total, the scholarship program is awarding an estimated \$228,000 to new and existing recipients to support Vocational Technical, High school, Associate and Bachelor studies. The 2021 scholarship awardees include: 4 Vocational Technical, 31 High School, 18 Associate Degree and 3 Bachelor Degree students.

The SSB's Scholarship Program, funded through the Corporate Social Responsibility initiative, has assisted over nine-hundred students since its inception in 2001. The program demonstrates the Board's commitment to investing and providing academic opportunities to our next generation to achieve a better future of all communities.
